I, ROGER J. STECKER, in a field survey on June 19, 2014, do hereby state that under requirements of P.A. 74, Michigan P.A. of 1970, the corner points mentioned in lines 1 and 2 above were in conformance with regulations and rules therefore as required in the current manual of survey instructions of the United States Department of the Interior, Bureau of Land Management or by a decree of a Court of Law and/or that the corner points mentioned in lines 3, 4 and 5 above were in conformance with the rules of the Michigan Board of Land Surveyors or by a Decree of a Court of Law; re-established, monumented, recovered, found as expressed below:

NOTE: Not more than 2 corners, all in the same town and range, may be recorded on this certificate.

B. Description of corner evidence found and/or method applied in restoring or reestablishing corner: No evidence of the original post was found. I consider it an obliterated corner.

No evidence of the original Swamp Oak tree or the common line between Private Claim Line 144/129 were found at the described location. I established the intersection of the west line of P.C. 144 common with the east line of P.C. 129 at the centerline of North River road from monumentation found in "Supervisor's Plat No. 14", boundary survey by Mikilich and Associates, Inc. June 12, 1997 and a February 22, 1989 survey by Dunn and Associates. The northerly direction of Private Claim Line 144/129 was established from monumentation found along the township line between Harrison Township, T.2N., R.14E. and Chesterfield Township, T.3N., R.14E. and in "Supervisor's Plat No. 8", Chesterfield Township. The established location of PC-042 falls in the right of way of North River road, 8 feet south of the edge of the asphalt road. No line of occupation exists to the north or the southeast.

Measurements Between Corners:

See page 2 for measurements.

C. Description of monument for corner and accessories established to perpetuate locating the position of the corner: I replaced the temporary 1/2" iron rod with a 4" diameter by 36" long concrete monument with a 1/2" iron rod w/2" diameter Aluminum cap stamped "Macomb County Monument Act #345, PS#30103 PC-042"

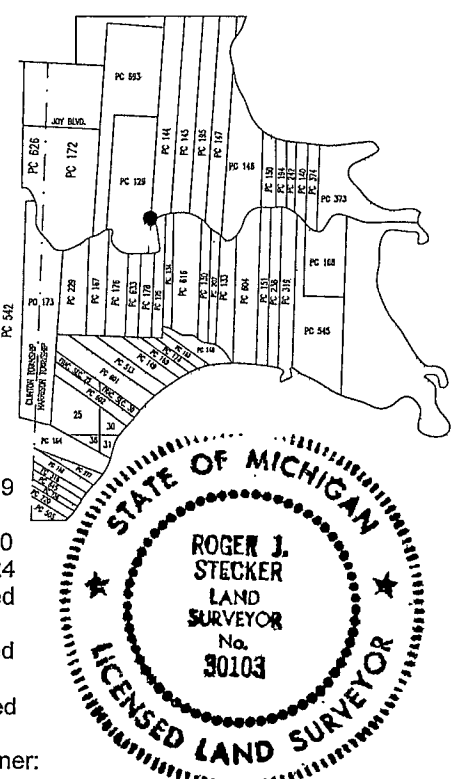

Witnesses:

- S85°W 79.09' Mag nail and Macomb County Witness tag in N. face of Utility Pole.
NORTH 63.10' Buried 1/2" iron with blue witness cap 0.75' west chain link fence post.
EAST 171.61' West end of 12" concrete culvert
S85°E 80.95' Mag nail and Macomb County Witness tag in N. face of Utility Pole.

The selected location is accepted by me and is generally accepted by Professional Surveyors as the best available evidence of the position of the original corner.

EXISTING CONDITIONS:

No evidence of the original Swamp Oak tree or the common line between Private Claim Line 144/129 were found at the described location. I established the intersection of the west line of P.C. 144 common with the east line of P.C. 129 at the centerline of North River road from monumentation found in "Supervisor's Plat No. 14", boundary survey by Mikilich and Associates, Inc. June 12, 1997 and a February 22, 1989 survey by Dunn and Associates. The northerly direction of Private Claim Line 144/129 was established from monumentation found along the township line between Harrison Township, T.2N., R.14E. and Chesterfield Township, T.3N., R.14E. and in "Supervisor's Plat No. 8", Chesterfield Township. The established location of PC-042 falls in the right of way of North River road, 8 feet south of the edge of the asphalt road. No line of occupation exists to the north or the southeast. I recommend to the Peer Group to accept the established position of PC-042 as the best evidence of the corner position.
