Part B: Surveyor's Report on Perpetuation, Restoration, Reestablishment or Monumentation of Corner:

The Center of Section 1 has not been perpetuated, and I did not receive or recover any recorded or unrecorded LCRC's or surveys for this corner as of August 17, 2018.

I am treating this corner as a lost corner using the government instructions to recover the corner by prorating GLO distance to the measured distance between the northeast corner (M-01) and southeast corner (OC-059) to calculate the distance between the East ¼ corner and the northeast corner.

The corner falls 0.4' west of a 4-foot high steel woven fence extending to the north & south, 8.5 feet east of a 6-foot high chain link fence extending to the north & south. Also 12 feet east to the centerline of a drainage ditch extending to the north & south. I therefore, recommend to the Macomb County Peer Group that they accept this location as the best evidence of the East ¼ corner of fractional Section 1 (M-02) to be perpetuated. This corner is a common corner with the West ¼ fractional Section 6, Town 2 North, Range 14 East, Harrison Township.

A-02 TOWN 02 NORTH, RANGE 14 EAST, HARRISON TOWNSHIP

The West $\frac{1}{4}$ corner of fractional Section 6, Town 02 North, Range 14 East.

GLO NOTES

1818 – W. Preston, D.S., surveyed and divided the township into sections and setting a post at the East $\frac{1}{4}$ corner of Section 1. 12" Elm S15°W23 Links; 12" Lynn N7°W 21 links.

EXISTING FIELD CONDITIONS

The corner falls 0.4' west of a 4-foot high steel woven wire fence extending to the north & south, 8.5 feet east of a 6-foot high chain link fence extending to the north & south. Also 12 feet east to the center of a drainage ditch extending to the north & south. This is a common corner with the East $\frac{1}{4}$ corner of fractional Section 1, Town 02 North, Range 13 East, Clinton Township.

RECORDED AND UNRECORDED INFORMATION USED TO RECOVER AND VERIFY THE LOCATION OF OC-059

May 26, 2004 - Sketch prepared by Steven E. Dunn, PS #28408, based upon a survey of Selfridge Air Force Base property. The sketch depicts the line common to fractional Section 1, T02N, R13E, and fractional Section 6, T02N, R14E.

SURVEYOR'S RECOMMENDATION

I did not receive or recover any recorded or unrecorded LCRC's or surveys for this corner as of August 17, 2018. I am treating this corner as a lost corner using the government instructions to recover the corner by prorating GLO distance to the measured distance between the northwest corner (A-01) and southeast corner (OC-059) to calculate the distance between the West $\frac{1}{4}$ corner and the northwest corner. I therefore, recommend to the Macomb County Peer Group that they accept this location as the best location of the West $\frac{1}{4}$ corner of fractional Section 6 (A-02) to be perpetuated.
