SURVEYOR'S RECOMMENDATION

The witnesses from the above mentioned recorded Certificate of Survey along with the measured distances between the adjacent government corners were used to verify the location of the found capped 1/2" Iron Rod #14097 as of December 18, 2006. I therefore, recommend to the Macomb County Peer Group that they accept the capped 1/2" Iron Rod #14097 as found as the best evidence of the corner position to be perpetuated.
