SURVEYOR'S RECOMMENDATION

The witnesses from the above mentioned recorded Land Corner Recordation Certificate, recorded Certificate of Survey along with the measured distance between the adjacent government corners were used to verify the location of the found capped 1/2" Iron Rod #30085 as of December 21, 2006. I therefore, recommend to the Macomb County Peer Group that they accept the capped 1/2" Iron Rod #30085 as found as the best evidence of the corner position to be perpetuated.
