Land Corner Recordation Certificate
Attachment B to 2015 Annual Grant Agreement
 Authority: MCL 54.205 and R54.202

This form is **ONLY** for corners filed under the 2015 State Survey and Remonumentation Grant Agreement

Filing Requirement: MCL 54.268(2)(a), 54.268(2)(d), 54.201 – 54.210d and 2015 State Survey and Remonumentation Grant Agreement

Notes:

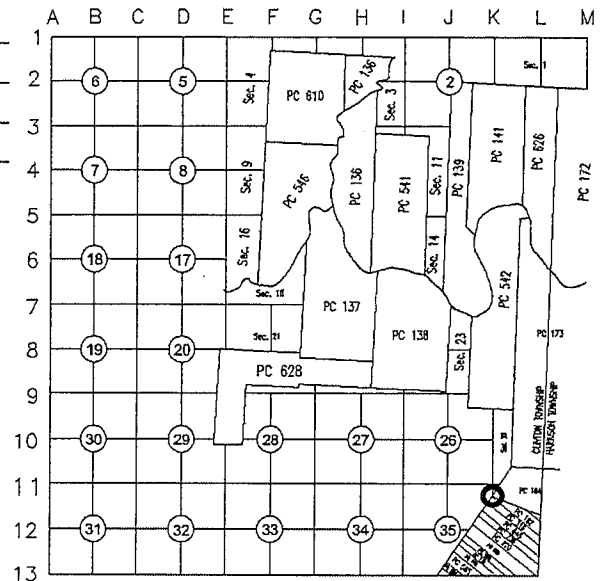

- No more than two Original Public Land Survey Corners can be recorded on this certificate
- If a corner reported hereon is common to two or more survey townships, each Town, Range and Corner Code for the corner may be identified on this certificate
- If a corner reported hereon is common to two or more counties, each county may be identified on this certificate and a copy of this certificate filed with the Register of Deeds in each county

For corner(s) in: **Macomb County**

Part B: Surveyor's Report on Perpetuation or Monumentation of Corner(s)

Nothing was found at the corner's location. There is no occupation in the immediate vicinity. The corner was reestablished as follows:

West line of PC 164: The northwest corner of Private Claim 164 was remonumented in 2014 as PC-037. Said corner and west Private Claim line (being the centerline of Klix Road (platted as Shook Road on Rosecroft Shores Sub)) was retraced by holding evidence within Taubitz Manor Sub and Rosecroft Shores Subdivision. Namely, a monument found along the east line of Klix Road was offset 60' to establish the west PC line. While analyzing the west line of PC 164 further, it has become apparent that there is a deflection along the line. I reestablished the alignment of Harper and 15 Mile per the MDOT ROW sheet 129 and find that the deflection point in the PC line appears to be nearly opposite to the monument.

Line Common to Sections 25 and 36: The line common to sections 25 and 36 was reestablished by extending the line common to sections 26 and 35 (centerline of 15 Mile Road). An iron was found on the north line of 15 Mile and offset 60' to establish the section line by holding corner J-11 from the west. Several other irons were found along the 60' line and match the section line well.

PCC-049: The two lines described above intersect to reestablish the GLO intersection point

K-11: There is no clear record or field evidence to reestablish the line common to sections 25 or 26. Harper Road (to the north) does not appear to follow the section line. Therefore the position for K-11 was reestablished on the centerline of 15 Mile Road at 62.65' west from PCC-049 as shown on Rosecroft Subdivision.

PC-041: The Southwest corner of Private Claim 164 was reestablished by retracing the MDOT alignment of Harper Avenue, Clinton East Industrial Sub and Parcel 11-36-101-002. As mentioned above, the West line of Private Claim 164 has a deflection. Harper Avenue to the Southwest is the West line of the private claims.

PCC-046: The intersection of the line common to Fractional Sections 35 & 36 with the westerly line of Private Claim 164. This point is reestablished by extending the line from K-10 through K-11 and intersecting the Private Claim line.

Distances to Adjacent Corners:

<u>PCC-046 to PC-041</u>	<u>K-11 to PCC-046</u>
89.34' M 2015	115.07' M 2015
	103.62' (1.57ch) GLO

Part C: Field Evidence of Perpetuation or Monumentation of Corner(s)

I set a 4" x 36" concrete monument with a 2" aluminum cap stamped "MACOMB COUNTY MONUMENT MI ACT 345 CAA 49376 PCC-046" in greenbelt 13.15' SE of back of curb of east side Harper.

Witness ties are as follows:

- DUE E 111.10' Northwest corner of block footing for building address #34820 Harper.
- S30°E 114.40' Southwest corner of block footing for building address #34820 Harper.
- S88°W 89.28' Set MAG nail with MCR washer in north face of Utility Pole above found PK nail with MCRC tag.
- N52°W 95.43' Centerline top nut of hydrant (no year on hydrant).
- N53°E 82.19' Found concrete monument

Date of Observation	Latitude	Longitude	Datum and Adjustment Year	Epoch Date

Summary:

Nothing was found at the corner's location. There is no occupation in the immediate vicinity. The corner was reestablished as follows:

West line of PC 164: The northwest corner of Private Claim 164 was remonumented in 2014 as PC-037. Said corner and west Private Claim line (being the centerline of Klix Road (platted as Shook Road on Rosecroft Shores Sub)) was retraced by holding evidence within Taubitz Manor Sub and Rosecroft Shores Subdivision. Namely, a monument found along the east line of Klix Road was offset 60' to establish the west PC line. While analyzing the west line of PC 164 further, it has become apparent that there is a deflection along the line. I reestablished the alignment of Harper and 15 Mile per the MDOT ROW sheet 129 and find that the deflection point in the PC line appears to be nearly opposite to the monument.

Line Common to Sections 25 and 36: The line common to sections 25 and 36 was reestablished by extending the line common to sections 26 and 35 (centerline of 15 Mile Road). An iron was found on the north line of 15 Mile and offset 60' to establish the section line by holding corner J-11 from the west. Several other irons were found along the 60' line and match the section line well.

PCC-049: The two lines described above intersect to reestablish the GLO intersection point

K-11: There is no clear record or field evidence to reestablish the line common to sections 25 or 26. Harper Road (to the north) does not appear to follow the section line. Therefore the position for K-11 was reestablished on the centerline of 15 Mile Road at 62.65' west from PCC-049 as shown on Rosecroft Subdivision.

PC-041: The Southwest corner of Private Claim 164 was reestablished by retracing the MDOT alignment of Harper Avenue, Clinton East Industrial Sub and Parcel 11-36-101-002. As mentioned above, the West line of Private Claim 164 has a deflection. Harper Avenue to the Southwest is the West line of the private claims.

PCC-046: The intersection of the line common to Fractional Sections 35 & 36 with the westerly line of Private Claim 164. This point is reestablished by extending the line from K-10 through K-11 and intersecting the Private Claim line.

This plat is subject to restrictions as required by Act 288 of 1967, as amended, on certain lots with respect to the requirements of the Michigan Department of Natural Resources and/or the Michigan Department of Public Health, which are recorded in Liber 3459 Pages 158 & 140 of records of this County.

SURVEYOR'S CERTIFICATE:
 I, Robert L. Smith, Surveyor, Certify:
 That I have surveyed, divided and mapped the land shown on this plat described as follows:
 CLINTON EAST INDUSTRIAL SUB.

Part of Private Claim 164, Town 2 North, Range 13 East, Clinton Township, Macomb County, Michigan, Commencing at a point 509.30 feet North 71 degrees 51 minutes 00 seconds West and 17 degrees 17 minutes 14 seconds East from the intersection of the line common to Clinton and Harrison Township, and the Southerly line of Private Claim 164, and thence extending North 17 degrees 14 minutes 00 seconds East 24.15 feet; thence North 72 degrees 20 minutes 09 seconds West 812.09 feet; thence North 19 degrees 10 minutes 30 seconds East 375.00 feet; thence South 77 degrees 58 minutes 00 seconds West 1051.89 feet; thence South 120 degrees 20 minutes 09 seconds West 1134.95 feet; thence along a curve (radius = 1659.86 feet) concave to the North whose long chord bears South 80 degrees 47 minutes 16 seconds West 267.22 feet said curve being the Northernly line of Roseville-Clinton-Harrison Relief Drain to the point of beginning and containing 17 lots numbered 1-17 inclusive and containing 110.202 acres of land.

That I have made such survey, land-division and plat by the direction of the owners of such land.

That such plat is a correct representation of all the exterior boundaries of the land surveyed and the subdivision of it.

That the required monuments and lot markers have been located in the ground or that surety has been deposited with the municipality, as required by section 125 of the act.

That the accuracy of survey is within the limits required by section 126 of the act.

That the bearings shown on the plat are expressed as required by section 126 (3) of the act and as explained in the legend.
