Corner Information

Government records for Macomb County show that the $\frac{1}{4}$ corner of the north line of section 19 and the south line of section 18 was set on a 10" Beech tree. 1818 William Preston D.S.

Existing Conditions

Nothing occupies the location of this corner. Located in 1 - 696 Right of way in north embankment grass area. Corner location was re-established from calculated position supported by monumentation in (d), (f), and (g) from plats below, and the measured distance between adjacent government corner B-8.

Recommendation

Found monumentation from plats (d), (f), and (g), and the measured distance between adjacent government corner B-8 was used to verify the calculated location of the new monumentation. I therefore recommend to the Macomb County Peer Group that they accept the calculated corner as the best evidence of the corner position as being perpetuated.
