

# CLINTON TOWNSHIP CRIME INCIDENTS: Web Map Guide

Clinton Township Police Department  
Macomb County Planning & Economic Development

# OVERVIEW

---

## GOAL

- Provide a tool for the public to see what's occurring in the community and how the police department is working to keep them safe.
- Through sharing police activity and crime incidents in a user – friendly interface, the public is able to see what's occurring around them and submit information on incidents that have occurred.

## DATA

- Police activity and crime incident data shows what happened in the past week and is updated daily.
- Due to sensitive nature of ongoing investigations and certain crime incidents, not all incidents are shown.
- Tracked by the Clinton Township Police Department and powered by the Macomb County Planning & Economic Development.

# WELCOME POP - UP

This pop – up introduces what the map is for and provides additional links.

## Clinton Township Crime Incidents & Police Activity Web Map

This interactive web map highlights crime incidents and police activity that has occurred in Clinton Township in the past week and is updated daily. The purpose of this map is to share information with the public on where incidents are occurring and provides a tool for the public to report information on incidents. This site is powered by the Clinton Township Police Department and Macomb County Planning & Economic Development.
